WHOLESALE TRADE-LIST

OF THE

Morrisville Nurseries

SAMUEL C. MOON

Morrisville, Bucks County, Penna.

THE MORRISVILLE NURSERIES are in Bucks county, Pennsylvania, about one mile from Morrisville, a station on the New York Division of the P. R. R., thirty miles from Philadelphia, sixty miles from New York, and two miles from Trenton, New Jersey. Carriages can always be obtained from the stations in Trenton. To get to the Nursery from Trenton, cross the Delaware River over the Bridge-street bridge and continue out Bridge street, one and a-half miles westward toward Fallsington.

THROUGH FREIGHT RATES from Trenton to all principal cities north, south, east and west, via Pennsylvania, Reading, or Lehigh Valley Railroads. Also, water transportation to Philadelphia and New York. All goods will be delivered to the railroad or steamboat in good condition, after which they are entirely at the risk of the purchaser. Should any loss or delay occur to goods in transit, the forwarding company alone must be held accountable and responsible. Packing is done in first-class manner, and charged for at cost of material used.

ALL CLAIMS for errors or deductions must be made immediately upon receipt of goods.

TERMS CASH, unless by special agreement. I can ship by express, C. O. D., when desired, with charges for collection added to bill.

Address all orders and communications to

SAMUEL C. MOON,

Telephone 811, Trenton Exchange.

Morrisville, Bucks County, Penna.

 **OUR NURSERY** has been carefully examined by George G. Groff, Special Agent of the Department of Agriculture for the state of Pennsylvania, and pronounced clear of injurious insects or diseases.

A few fine, large specimens of Yews, of different sizes, from \$3 to \$50 each.

LARGE TREES.

I have some extra-fine, large specimens of each of the following varieties. These trees have been frequently transplanted and root-pruned, and are kept in proper condition for moving. They are growing on land with a clay subsoil, will hold good balls of earth, and can be shipped almost any distance. Shall be glad to receive visits or correspondence from those who have use for such stock:

Abies Orientalis and *inverta*; *Picea Nordmanniana*, *pectinata*, *Cephalonica*, *Pichta* and *Nobilis*; *Thuya Geo. Peabody*; *Retinospora plumosa*, *aurea*, *squarrosa*, *Veitchii*; Sugar Maples; Purple Beech; English Beech; *Magnolia Soulangeana* and *Norbertiana*; English Elm; and other choice specimens.

1,000 Shrubs, assorted in 20 Varieties or more, my selection, for \$50.
